

Md. Arif Hossain

Dhaka, Bangladesh • +880 1 71 23 45 678 • arif.hossain@example.com

EDUCATION

Jan 2022	NORTH SOUTH UNIVERSITY <i>Master of Science in Software Engineering</i> Merit Scholarship Software Engineering Relevant coursework: Microservices Architecture and Distributed Systems, Performance Optimization and Scalability, Application Security (authentication, authorization, cryptography), Cloud Computing (AWS, Docker, Kubernetes), Advanced Design Patterns (advanced methods, case studies)	Dhaka, Bangladesh
Jan 2018	UNIVERSITY OF DHAKA <i>Bachelor of Science in Computer Science</i> Dean's List Computer Science Relevant coursework: Data Structures and Algorithms (advanced methods, case studies), Database Management Systems (SQL, PostgreSQL), Software Architecture (advanced methods, case studies), Object-Oriented Programming (Java, Python), Networks and Protocols (advanced methods, case studies)	Dhaka, Bangladesh

PROFESSIONAL EXPERIENCE

Jul 2023 1 year 10 months	NEXTBRIDGE DIGITAL <i>Senior Backend Developer</i> - Led backend architecture for scalable digital products (500k+ users) using NestJS, PostgreSQL, Redis - Optimized high-availability system performance via load balancing, database sharding, caching strategies - Refactored legacy infrastructure to cloud-native architecture (AWS, Docker, Kubernetes), progressive migration	Dhaka, Bangladesh
Sep 2021 1 year 10 months	SOFTVENCE AGENCY <i>Backend Developer</i> - Designed scalable backend architecture for 5 client projects (e-commerce, fintech, SaaS) using NestJS, microservices - Implemented secure authentication systems (OAuth 2. - Developed CI/CD pipelines with Docker, automated deployments, unit and integration testing	Remote
Feb 2020 1 year 7 months	TECHNOVA SOLUTIONS LTD. <i>Junior Backend Developer</i> - Developed RESTful APIs for enterprise software using Node. - Optimized complex SQL queries and PostgreSQL indexing for 25% performance improvement, reduced query response times - Integrated external services (payment gateways, third-party APIs, webhooks) with robust error handling, Winston logging	Dhaka, Bangladesh

LANGUAGES & SKILLS

- **Language:** Bangla (native), English (fluent, C1)
- **IT:** Node.js (advanced), NestJS (advanced), PostgreSQL (advanced)

ACTIVITIES & INTERESTS

- Open Source Contributor (Node.js and NestJS projects on GitHub, 200+ annual contributions, backend library maintenance)
- Programming Competition Participant (national algorithmic contests, complex problem solving, top 15% national ranking)
