

Md Abdul Latif Sumon

Kaliganj, Bangladesh • +8801712345678 • sumon.dev@example.com

FORMATION

expected 2023 **Daffodil International University** Dhaka, Bangladesh
BSc in Computer Science & Engineering
Dean's List
Relevant coursework: Data Structures (algorithms, complexity analysis), Database Systems (SQL, normalization) (méthodes avancées, études de cas pratiques), Software Engineering (Agile methodologies), Operating Systems (process management, concurrency), Computer Networks (TCP/IP, network protocols), Web Development (HTML, CSS, JavaScript) (méthodes avancées, études de cas pratiques)

EXPÉRIENCES PROFESSIONNELLES

Since Feb 2022 **Tech Solutions Ltd** Dhaka, Bangladesh
20 months **Backend Developer**
• Developed robust backend services for web applications using Python and FastAPI, enhancing system performance and scalability through optimized code and efficient database queries..., avec coordination d'équipes pluridisciplinaires et gestion de proj
• Implemented RESTful APIs for seamless integration with frontend applications, ensuring secure data transactions and maintaining high standards of code quality and documentation..., avec coordination d'équipes pluridisciplinaires et gestion de projets
• Collaborated with cross-functional teams to design and deploy new features, utilizing PostgreSQL for data management and conducting regular code reviews to ensure adherence to best practices..., avec coordination d'équipes pluridisciplinaires et gest

LANGUES & COMPÉTENCES

- Language:** Bangla (Native), English (Professional)
- IT:** Python (Advanced), FastAPI (Advanced), PostgreSQL (Intermediate), Git (Version control), Docker (Containerization), Linux (System administration), RESTful APIs (Development), Agile (Scrum methodologies)

ACTIVITÉS & CENTRES D'INTÉRÊT

- Open Source Contributor (contributed to multiple projects on GitHub, focusing on bug fixes and feature enhancements)
- Tech Blogging (writing articles on software development trends and best practices)
